

OUR PROJECT

Vaalzvaham aspires to empower women and community leaders in rural Sri Lanka, without religious or political agendas.

Our current project is the "Sanitary Napkin Small Business Project" where war widows in difficult circumstances will be provided with:

- A 2 year rent free lease on cost effective sanitary napkin machines innovated by A. Muruganantham
- A customisable business model with pricing structure for initial set up
- Training on manufacturing, marketing and sales as well as basic account keeping techniques.

The main goals of this project are:

- 1) To provide a source of sustainable income for war widows and their families, whilst building self-confidence and self-reliance
- 2) To educate women, and subsequently their children and community, about good hygiene practices
- 3) To encourage small business activity in rural areas to stimulate economic development.

Vaalzvaham, in association with the Lions Club of Epping Eastwood Inc., will be hosting a "Charity Dinner" for 300 attendees on 14th November 2015 at Western Grand Functions.

The night features:

- A 3 course authentic Sri Lankan dinner
- A variety of entertainments including:
 - a saree fashion show featuring custom made unique designs
 - a musical item featuring old favourites and current hits
 - an auction
 - raffle tickets and lucky door prizes.
- Printed programs for the attendees promoting our generous sponsors

All proceeds from tickets, raffles, the auction and advertisements will be directed towards this project.
