Why I Became a Lion?

Lion Mike Barnett (Member Since 25th June 2011):

I have been in the lions since the 25/06/2011 and enjoy my time with friends and helping the community, both local and International.

My wife Robyn was diagnosed with a form of cancer in 2006 and from then on, we spent a lot of time going to hospitals and medical centres. After a while I started to notice the amount of volunteer work that was carried out within the system. For example, one day we were told that one of the Dr's was not in because he was on a Pacific Island with a medical team for a week giving inoculations to the local people, on his holidays. One of the cleaning ladies at Concord used to donate blood once a

month. She told me it made her feel good, giving back, Everywhere you looked there were signs of people giving.

The big clincher for me was when I went back to Vietnam with a group of veterans, A vet's son was found unconscious in the streets of Saigon, and taken to hospital. It just so happened that a group of Doctors and Nurses from Australia were staying in the same hotel as we were. When they were made aware of the

situation, they took the young bloke under their wing, helped him get back to Australia. The group were all volunteers and they used to go to Vietnam regularly to help out.

Not long after this I was talking to the husband of a friend of Robyn's, Warren Latham, and telling him how I was in awe of all volunteers and the work they did. He proceeded to tell all about the Lions Club and in particular Epping Eastwood and suggested I join. So I did.

Editor's Note: Thank you to Lion Mike for sharing your story in the "Why I Became Lion section' this month. Which of our members will share their story with us next month?

A New Melvin Jones Fellow

This year the members of Epping Eastwood Lions Club were proud to recognise Lion Paul Partington as a Melvin Jones Fellow. The fellowship is the foundations highest honour and is recognition of a commitment to humanitarian work. Lion Paul joined Epping Eastwood LC in August 1991 and has

Lion Paul joined Epping Eastwood LC in August 1991 and has proudly and selflessly served his club and community for 30 years.

Congratulations Lion Paul Partington MJF, from all of your fellow club members.

Christmas Gift Wrapping at Macquarie Centre

Our Club provided Gift Wrapping services from Friday, 10 December to Sunday, 12 December for a gold coin donation at the Charity Gift Wrapping Stand at Macquarie Centre. **What fun! AND...** we raised \$881.00 to assist those in our community less fortunate than ourselves.

Thank you to those who helped - Lions Rosemary, Jess, Ann, Lynn, Marilyn and Warren. Special thanks to Nicole Lawson and Karen Roden (friends of Lions) who joined is for this fun project. The set up by Macquarie Management was great and we surprised ourselves - we were highly praised of our wrapping techniques by our many 'customers.' Let's do it again next year!

Our February Donation to Christmas Community Aid (CCA)

It was a big shop this month - covering the December and January months as well. Our donations of non-perishable food and toiletries to the value of \$300.00.

We also have a great supply of toothpaste collected from John Fernandes (Kings Langley Lions Club), plus 7 large boxes of sanitising products collected from A.Royale & Cowith thanks to Ian Field (Winston Hills Lions Club) to be included in our donation.

The Christmas decorated shopping trolley that was set up in the IGA store at Denistone East for 3 weeks prior to Christmas to assist our Christmas Appeal for CCA was most successful and 4-6 bags of groceries per week were delivered. The Management and staff at IGA have been extremely supportive and customers very generous with their donations. Other Christmas Hamper donations given to CCA in December were 12 boxes of drinks (60 x Bfit 473ml bottles), 4 boxes of 60ml hand sanitizer (576 units) and 4 boxes of personal anti-bacterial wipes (288 units).

Two Food Collection days have been organised for Saturday 19 February and Saturday 19 March. Midway IGA Xpress, Denistone East 8:20am - 12:30pm. Come and lend a hand and fly the flag for Lions!

What a Wonderful Gift!

Cheltenham Memorial Kindergarten celebrated their 125th birthday last year. The staff and children celebrated with a wonderful generous GIVING GIFT. The parents donated 125 suitable children's Christmas gifts; the children created the Christmas wrapping paper; and 'assisted'

the staff with the wrapping. The gifts were collected by our Club members and delivered to CCA in time for their Annual Christmas Appeal. It was a very special event for all involved and photos were taken to be SHARED to the pre-schoolers. The staff at CCA were extremely impressed by the wonderful efforts

Jam and Preserves Project

This project has been on hold over the summer as it has been too hot to stand for hours over boiling jam. However, it is now time to plan our produce for this year.

Strawberries were not cheap enough over summer to make jam worthwhile so we will have to wait until the citrus fruit start to ripen. Most produce comes from our wonderful gardeners who donate their crops.

Our honey suppliers, Michael from Beecroft has honey available for sale now so we will sell that at ERNA for the time being. Ann has kindly offered to make tomato relish and we thank her for her time.

If anyone would like to assist with cooking jams or pickles, please let me know. I would also be very happy for someone to take over the project for the next few months.

Lynn Campbell

Something from two of our Members

Hi everyone,

Sending hello to all the EELC Members from sunny Queensland!

It's been about 7 weeks since we left Sydney moving up to our new pad in Brisbane. We are happy to report we are well and have been keeping ourselves busy.

Some of you might remember that our new home has got a bit of land. A corner of our block was overtaken by weeds so Marco took it upon himself pulling them out. We had squatters - aka Plovers:) - moved into our garden. These guys were not friendly at all, very loud and aggressive whenever we accidentally approached their nest. Now they are gone - without saying goodbye - with a tiny baby plover. We are very happy and very proud of them.

The best part so far has to be our morning. Having breakfast sitting at the outdoor table looking at our garden and listening to the birds has been a blessing. Come and visit us, Marco does make really good coffee! (You wouldn't believe it, Queensland's warm and humid weather has converged an Italian man from having espresso to ice coffee!)

P.S: Warren - We've managed to keep your secret file of all the Lions Clubs in Brisbane safe. So safe, we have not made any attempt to contact them yet, but will get to it!

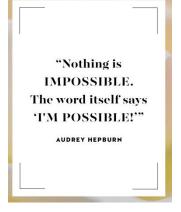

Take care and stay safe Lion Jungsun and Lion Marco
